

Jury Notice JN004
Case ACJ002 El Reto – two questions

Competitors and other parties

I attach an [Application from El Reto](#) on behalf of the Real Federación Española de Vela. Should you wish to make a Response please send it to me, with a copy to all the other parties, and to the other jury members. The relevant email addresses are listed as CC to this email.

I also attach the Jury's Rules of Procedure for your guidance. I draw your attention to clause 8.2: 'Prior to the publication of the JURY'S decision in a matter, the PARTIES shall not make public the APPLICATIONS, RESPONSES, REPLIES or any of the evidence, documentary or otherwise, of themselves or any other PARTY.'

As to El Reto's request ('INTERIM DECISION') to answer the question 'Does El Reto need to suspend Mr Kaiko's design work in the interim of the final decision from the Jury?', the Jury has advised El Reto that it is a matter for El Reto as to whether or not it should suspend Mr Kaiko's design work before receiving the Jury's decision.

You may wish to give a Response on the question as to whether Mascalzone Latino (who has not applied to become a Challenger) should be given an opportunity to give a Response.

The Jury has set the following timetable:

3rd February for a Response to the question as to whether Mascalzone Latino should be given an opportunity to give a Response

10th February for other Responses

17th February for El Reto to file a Reply to Responses.

Kind regards
Bryan Willis
Jury Chairman
