

Amendment # 1
dated 1 September 2005
to the
SAILING INSTRUCTIONS
GOVERNING THE FLEET RACES OF
MALMÖ-SKÅNE LOUIS VUITTON Act 7
2 - 4 September 2005
MALMO, SWEDEN

Add to Sailing Instruction 10 the following:

10.4 The Race Committee may experiment with an orange inflatable cylinder as an Original Mark 1. The Cylinder is approximately 6 metres in diameter and 3 metres high. If the experimental mark is to be used, it will replace the tetrahedron Original Mark 1, and Competitors will be advised as follows:

- (a) The Race Committee will display an orange placard next to the posted magnetic bearing when the Course Signals are displayed, and
- (b) will advise Competitors using the Safety Radio.

The Original Offset Mark will be an orange tetrahedron.

1630 hours 1 September 2005
